

## Compass: With few words Easy to follow

A compass is extremely valuable equipment used by scouts and hikers, pilots and campers, in airplanes, in mobile phones, captains of ships at sea, on spaceships and guided missiles, by car drivers and mountain climbers (even fortune tellers!). Its everywhere. It is such a simple and powerful tool that everyone should know how to use it. Prepare yourself and you always find the way! This book is with as little text as possible and lots of pictures to make it quick to read, easy to follow, easy to remember and easy to recall. See the Table of Contents to know what to expect from this book.
