

Confessions of a Believer: Guide Two To Living In These Perilous Times

Our words are our confessions. We get what we say (confess). That includes our idle, or casual, words, good or bad. The Bible makes that very clear. The things we confess may not come to pass immediately, but I'm sure we all can think of more than one adult whose life followed the path of what was spoken over him as a child and ended tragically. This book can help you get into the habit of confessing blessings, instead of curses, into your life and over your loved ones, while guiding and enhancing your praise and worship time with our Lord Jesus Christ.
