

## Things Left Unsaid

Short story of a daughter seeking to have a relationship with her mother that takes 38 years to come to fruition, and 37 years too late. Once abandoned, and passed around, she overcomes years of anger and resentment to forge a new relationship with her mother. The only problem is her mother has run out of time at a young age, and there is so much left unsaid. How does she cope with the guilt? Can she overcome her anger and remorse? Only time will tell in this heart wrenching short story of personal despair.
