

DitzAbled Princess: A Comical Diary Inspired by Real Life

Jewel at 33 is a Princess in her own right. Shes a fun-loving, demanding Diva who loves to shop as much she loves to write. Jewel is the apple of everyones eye--be it her doting family, her doctor for her never-ending bowel issues, her pushy book editor and especially her frugal husbands soft spot. So, whats Jewel s weakness? Her pet dogs: Snowie and Dolly. Particularly, naughty Snowie who is known to pee wherever he fancies--including Dollys face! For Jewel, her physical disability doesnt dampen her spirits. Rather, it enhances them. She gets to use an unusual fashion accessory (Imagine: A hot pink elbow crutch.) She gets out of doing housework. She gets carried up-and-down stairs like a Princess a la command. Jewel may be horribly messy, terrible with numbers and a workaholic, but nobody can imagine life without her. Not that she would let them, anyway! She has a big mouth, remember? About the Author Once a teen runaway, Jewel Kats is now a self-made Diva. Her closet is stuffed with fashion and beauty accessories. Shes overcome sexual abuse, disabilities, you name it... Jewel interned in the TV studio of Entertainment Tonight Canada. She appeared in a documentary series by the Oprah Winfrey Network (Canada) in 2012.
