

Allah of the Quran and the God of the Bible: Are They the Same?

Finally! A book that explains what the religion of Islam is really about, where it came from, and how it poses a serious threat to every democratic society. At the same time, it is a proclamation of just who Jesus Christ really is, with an invitation for Salvation to ALL mankind through the grace of His love. Allah of the Quran and The God of the Bible Are They the Same? The Verdict Is Yours methodically rips away the facade that portrays Islam as a religion of peace. Dr. Brunswick has written and lectured extensively on the religion of Islam. Dr. Brunswicks previously published book: Islam Al-lah Americana A Cultural Crossroads provided the reader with an insight to the Muslim Americans perspective on current events, and how the influence of Islam impacts on their daily lives. Dr. Brunswicks latest work draws a marked contrast between the nature of the deity Muslims call Allah, and the God of the Christian Bible. Dr. Brunswick addresses extremely sensitive theological topics with scholarly aplomb, calling for the reader to make an informed, intelligent decision to apply the fundamental tenets of Christianity to their daily lives. Dr. Brunswick is retired from the U.S. Army as a criminal intelligence specialist. He holds six earned college degrees including a Ph.D. in Comparative Religions. For over twenty years he has written and lectured on World religions and Cults. As the host of a local television program, he conducted studies comparing the beliefs of the major world religions and cults with Christianity. Dr. Brunswick is the past director of the Christian Research Foundation, and is currently the president of DIOGENES Polygraph and Intelligence Services located in the Chicago Illinois area.
