

His Truth Is Marching On: Advanced Studies on Prophecy in the Light of History

At His first coming, Jesus said the kingdom was at hand. Did he then postpone the kingdom because the Jews rejected Him? Do the Scriptures teach a Jewish-type millennium when God will turn back to animal sacrifices in a Jerusalem temple? Presents reasons for believing a fulfilled view regarding Joels prophecy, the 144,000, the coming of Elijah, and Ezekiel 38. Also discusses the error of setting dates for the return of Christ--1844, 1914, etc.
