

The Dynamic Laws of Healing

Catherine Ponder shares the spiritual laws of healing and deals with the causes of emotional and physical problems. She shows one how to turn on the corrective thoughts in order to change the whole pattern of your life for the better. It is explained that everybody can use these ancient healing laws and there's nothing mysterious about them. In fact, healing constantly takes place in our lives in simple ways that seem miraculous. We all have the healing power, if we only realize it. This is a book that substantially expands one's consciousness. Should be on every healer's bookshelf. Catherine Ponder discloses one useful healing technique after another, making this a manual and reference work as well as fascinating reading for all interested in the vital work of healing.
