

Deception and Magic: Two Fantasy Short Novels

Two women must stand on their own if they wish to save both human lives and souls. And more importantly, if they wish to remain free. This collection contains two short novels, *Those with Souls*, and *A Ghost of an Accident*. In *Those with Souls*, Eleanor spent four years healing the land with her Artists Gift, but even though she left the Citadel and its politics behind, the Artists haven't forgotten her. When Annabelle leaves the safety of her magically protected Chosen One rooms, in *A Ghost of an Accident*, she expects an attack. She doesn't expect the ghost. Or the legion of ghosts. Too bad she hasn't a clue what they want.
