

Turtle on a Fence Post: Wisdom Graduates Need to Make It in the Real World, 365 Days of Life Lessons

TURTLE ON A FENCE POST is the ideal gift of wisdom and inspiration for the high school graduate. The ultimate life after high school reference book -- a guide to help our children and their friends navigate the complicated real world they will face after graduation. Why 365 lessons? Because it is important to learn something new every day. Each lesson is short -- it can be read quickly over breakfast or during a study break. A theme for each day of the week. Mondays message is motivational; Tuesdays and Wednesdays are hints for advancing a career. Thursdays and Fridays are general life lessons. Saturdays focus is on social aspects, while Sundays spiritual guidance comes from many religions, philosophers and teachers. High school and university textbooks provide the book smarts; TURTLE ON A FENCE POST will help with the life smarts. About the authors JIM PRATT After college (B.Comm.) at the University of Alberta, Jim played professional basketball in Europe.
