

Ghosts of New Hampshire

In these pages, you'll delve into the strange and the mysterious, including haunted locations and their spirits, UFO encounters, and cryptozoological creatures that will both mystify and entertain. You will find stories such as... * The tale of Eunice Goody Cole, the only New Hampshire resident ever convicted of witchcraft... * The strange experiences of the Walton family and the stonethrowing devil... * The phantoms at America's own version of England's famous Stonehenge... * The saga of Ocean-Born Mary, New England's best known ghost story... * A monster that lurks in Lake Winnepesaukee... an immense, relentless predator that can strike swiftly and mercilessly, or so some say... You'll find all these spirits, and many, many more, in the book *Ghosts of New Hampshire*!
