

El fantasma del valle (Alta Mar) (Spanish Edition)

Neil Macleod descubre que sus vacaciones en Escocia no son tan malas como en un principio imagino: pesca, excursiones, montañismo si dejase de aparecersele, en sueños, aquel siniestro hombre de barba roja.(*CR*)El autor, Alan C. McLean, consigue entramar perfectamente dos universos paralelos: el mundo exterior del muchacho, con excursiones, riesgos y aventuras junto a su prima Elsbeth, y su mundo interior llenos de intriga, misterio, ansiedad y expectacion. Apasionante novela en la que la atencion del lector no decae en ningun momento.(*CR*)
