

Emails to My Children: Wisdom in a Nutshell

Emails to my children is a treatise that has the power to vastly improve the life of anybody that reads it. It provides a fascinating insight into universal laws, truths, and facts of life. The golden nuggets of wisdom enclosed will give you enlightenment, which otherwise would only be gained from lessons learned over a lifetime of trial and error, research, and observation. This book was written preliminary to reduce the hassle for the youth in not wasting time in learning from first-hand the information that should be common knowledge, and secondly for anyone not happy with their current life and unsure where they have gone wrong. Most people will pick up something new after reading this, and only if you only learn one new thing from this book it would have been worth it. The book will make you more aware of how to: Never be lonely be happy get rich get fit and be healthy build and grow a business live a spiritual life live longer
