

Relationship Intelligence: Why Your Rq Is More Important to Your Success and Happiness Than Your IQ

Relationship Intelligence is a riveting text that tells young adults and singles the real deal on what they need to know about having intimate relationships today. Panzer cuts right to the core of this controversial topic with honest discussions of male/female relationships. He includes interesting facts, personal confessions, real life stories, powerful quotes from celebrity role models, and captivating graphics throughout the book to keep you engaged, that will make even nonreaders want to read this book. You'll find out:

- o Common mistakes that can ruin a man/woman relationship.
- o What brain research reveals about Male/Female differences!
- o Why are people who fall in love on drugs? Why do they need to be careful about becoming romance junkies?
- o What are the four stages of intimacy and why do many people never get beyond stage two?
- o Is living together a good way to find if someone is a good marriage partner?
- o Which surprising group has the best sex, health, and longest life expectancy?
- o Why do good girl/bad girl stereotypes persist throughout the world?
- o Why do declining rates of marriage endanger the physical safety of women and children as well as men?
- o How is youth violence linked to their parents' sexuality?
- o Which popular 20th century beliefs about sexuality are based on junk science and why do they hurt men, women and children?
- o How can you avoid falling into the Fairy Tale, Love conquers all, Entitlement, Virtual Reality, Lone Ranger and other relationship traps?
- o What group is the most endangered species in TV-land?
- o Why were many men happy to become feminists?
- o Why do most college courses on marriage and family flunk the Relationship Intelligence test?
- o What are the trends that could make the 21st century an age of Relationship Intelligence?
- o Find out why What's your price tag? may be the most important

question you will ever ask your self!
