

# A Journey Of Life On Purpose: Creativity, Love, Womanhood, Community, Race, and Identity

Our life purpose is often found at the intersection of who we are, our most compelling convictions, and the roles that we serve. In this book, *A Journey of Life On PURPOSE*, author Avril Somerville tackles, through poetry and essays, the intersectionality of creativity, womanhood, sisterhood, race, motherhood, activism, and identity politics. It is an empowering, inspiring, and candid memoir of one woman's journey of intentionality to find her ultimate place and purpose in life.
