

## Enjoy Life Today and Every Day

Happiness results when there is commitment to a certain course of action. That is the way of truth. Life is to be lived. We are born, we live for a reason and we have a destiny. All it takes is 7 days reading Enjoy Life Today and Every Day for the reader to discover that happiness is in the present and that its basis exists waiting to be discovered. It is in the littlest things, the small things that all combine to give the reader the vision to become a person of action, ready to activate purpose and bliss.
