

Unravelled (A Conyza Bennett story, Book 2)

People think nothing ever happens where I live. Its too quiet, too docile, too peaceful. They dont know the half of it. I am Conyza Bennett and I am the teen queen of things that go bump in the night. Conyza Bennett is different to other girls her age - she can read minds for a start. But Connie is trying to put the drama of the supernatural world behind her and get on with living a normal life. Until the Cresta Crew arrive in town. Because these boys arent your average teenagers. For a start they are ridiculously good-looking and Connie can see that underneath their pretty faces something sinister lurks. Connie tries to discover more about the mysterious Cresta Crew, but her powers of telepathy dont work around these boys. And as Connie gets closer to the Cresta Crew she begins to unravel a secret that could threaten to destroy everything she holds precious. Book 2 in the Conyza Bennett series
