

Erectile Dysfunction? Its Time to Straighten Up...

This book is designed to give a relaxed, humorous approach for the understanding of erectile dysfunction (ED), possible causes, and available treatments. Approximately 30 million American men have been diagnosed with erectile dysfunction, and that doesn't include the men who haven't yet admitted to having the disease or the millions of men worldwide who have it. Prevention is the best form of treatment. But if you have the problem, remember, you've been told for years to straighten up. Now it's time...
