

Am I Saved? (Moments That Matter Book 21)

Moments That Matter is an essay series which provides Bible-based answers to the important spiritual questions in peoples lives. Am I Saved? That question divides the theist from the skpetic. It even divides people of faith from each other. This essay looks to the Bible for an easy answer to that important question. It will not answer every question you may have about salvation, but it will point you to a simple approach, using the Bibles own words, that will give you or a friend confidence to answer that question with a resounding, Yes!
