

Peace of Mind: Book Two of the Evie Sanders Series

Can love survive in a world where death is just the beginning and demons are hunting your true soul mate? Read the second book in Lambersons nationally recognized romance series to find out how Evie and Quinns story continues. The first book, Borrowed Heart, marked the beginning of a love so strong it defied death. Nothing could keep Evie Sanders and Quinn Harrison apart nothing except for the rules Evies forced to follow, rules she broke to be with Quinn. Now, in Peace of Mind, Evie and Quinn must overcome the obstacles devised to keep them apart. And with each hurdle they surmount their bond grows but so does the danger they face. Evie must find a way to reach Quinn again before its too late. It is a very strong love story that defines what the word soul-mate means ... Its not so much about what happens after death as it is about how far love and a heart can reach. Reviewers Helping Authors on Amazon and Goodreads Lamberson does a fantastic job weaving a fated love-story. She took her idea of what-if and has created a fantastic answer. Kathy LaMee for Tracy Riva Books and Reviews on Goodreads Lambersons debut novel, Borrowed Heart, was a finalist in the 2012 National Indie Excellence Awards in the romance category. PEACE OF MIND In Borrowed Heart, Evie Sanderss world was turned upside down after she met Quinn Harrison her freshman year at Indiana University. Her connection with him was more intense than anything shed ever felt, and it seemed like nothing could come between them that was until a tragic accident claimed Evies life. But even death couldnt keep these true soul mates apart for long. Quinn and Evie were reunited when she became a Shepherd, an immortal guardian whose job it was to protect Quinn from the same demons responsible for her demise. Nonetheless, Shepherds had rule they werent allowed to get involved

with their charges. Evie tried to ignore her love for Quinn, but their bond was too strong to deny. She broke the rules to be with him, and she got caught. The next chapter of Evies future now unfolds in Peace of Mind, in which she must face the consequences of her transgressions. The only way Evie can remain Quinns Shepherd is by breaking the one promise shed made him. To continue to protect his life, she cant be part of itQuinn cant ever know that shes near. Unwilling to accept this cruel twist of fate, Evies intent on fixing the mess shes created. But to have any chance of being with Quinn again, she has to find a way to reach him before its too late before her assignment is over and she has to say goodbye to him forever.
