

Gemini Falling

First of all, lets get something straight. This is not going to be one of those stories where the school bitch turns out to have a heart of gold. Amies the most popular and the meanest girl at her exclusive private school, with her trusty second in command Lexy by her side. And she likes it that way. Lexy knows that she deserves Amies prized position just as much but dethroning the Queen Bee just isnt done. Until mysterious twins Elyse and Melanie arrive mid-term, with a magnetic power thats impossible to deny, and shake up the schools social rules. As the twins leave darkness and devastation in their wake, Lexys suddenly discovering her own powers of manipulation. Whilst Amies about to learn that its not just lonely at the top its terrifying.
