

Out of the Darkness

We all go through difficult times in life. Its not a question of if, but when. When were suffering, its easy to lose hope. Sometimes youre dealt a bad hand, and it may seem that the deck is stacked against you. No matter how hopeless things seem, you can still find hope if you look in the right place. This is a powerful and inspiring story of how one person beat the odds, and found a ray of hope in the darkness.
