

# The Falling Girl: Chronicles of the Closed World, Book 1

One day, quite unexpectedly, wounded, irreverent teen Lori falls through a rip in reality. She finds herself in a world full of wonders. Dragons, demons, fairies, mermaids,...all of them live here, and most of them seem to want to kill her. Now, if she can just concentrate on finding that book instead of falling in love and falling flat on her face, or being eaten by dragons or burned alive by angry villagers that, at least, would be a start.
