

FLASH #119 (1961) NM to NM+ 9.4 to 9.6 *Guaranteed Unrestored* (The Flash)

an unrestored, off-white paged #119. The comic is glossy, clean, complete, and has no tape, repairs, or restoration of any kind.

This unrestored gem has been painstakingly examined for any signs of restoration and repair so that we can make a restoration guarantee that is absolutely unique among sellers of unrestored raw comics. If one of our unrestored listings is returned from a grading service with anything but a blue label, that is, returned restored or qualified, without being disclosed as such, we assume all financial liability for the buyers purchase: A full refund of the price The Postage for the purchase The buyers Postal fees to and from CGC or PGX The full amount of the grading fees for that comic The buyers postage for the return for refund In short, if we are wrong, and a comic listed as unrestored is graded restored or qualified, the entire amount of out of pocket expense incurred by our buyer for that item is reimbursed. To our knowledge, that thoroughness of guarantee policy is unique for comic sellers. Grading is an art, not a science. Every effort is made to grade accurately and unbiasedly, using a combination of the written Overstreet grading guidelines, and the more nebulous CGC visual, yet unpublished standards.
