

Foreign Crops and Markets, Vol. 65: December 22, 1952 (Classic Reprint)

Excerpt from Foreign Crops and Markets, Vol. 65: December 22, 1952 To dispose of last seasons carry-over, t officials and L private traders have projected sales under bar ements. Recently, arrangements were made to ship some short tons of linseed oil to Switzerland in exchange for rayon yarns and aniline dyes (approximate value: yarn, \$1 million; dyes, At present, negotiations are under way for an additional tons of oil in barter for watches. It is understood that although these shipments will be consigned to Switzerland, they will not necessarily be consumed there. Apparently a large part of the oil will be available for resale to other European buyers in a position to offer free market dollars. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
