

## Forgive, Release and be Free

Many people live with unforgiveness in their heart, sometimes unknowingly. Perhaps they realise that something is wrong, but don't know exactly how to deal with it. Some Christians wonder why they never seem to get the breakthrough in God they are looking for; they feel they have tried everything and nothing works. They may feel that they have forgiven others for any wrongdoing or offence caused to them, but have often not gone on to release that person's debt to them. If you have ever had cause to forgive anyone or think you may need to now or in the future, then this book is for you.
