I am a fanatic about freedom. And Im fanatical about coming at you hard in this book. Maybe youre not as free as you think you are. Even worse, you may have been duped into believing that a balanced life is the key to happiness (it isnt) or that a relationship with God is about layering on rules and restrictions (nope). Whether its media-fueled fear, something a parent or teacher said that you just cant shake, or even the reality of dark spiritual forces bent on keeping you down, something is holding you back from the full-on freedom God intends for you. The Bible says, Where the Spirit of the Lord is, there is freedom. Not fear. Not guilt. Not morality. Freedom. You can have the sort of joy you thought only kids could have. The day of freedom is here.
