

Gratitude Journal For Moms With Bible Verses: A 5-Minute Journal For The Busy Mom - Blue Flowers With Ladybugs (Gratitude Journals For Busy People)

If you've decided you want to start keeping a gratitude journal but feel intimidated by the thought of all those lines on each page and the hours you'll spend writing, don't despair! The Gratitude Journal For Moms With Bible Verses is set up to be the perfect companion for the busy mom who doesn't have a lot of time to write every day. Each day's entry contains just seven short lines so you won't feel overwhelmed. There are two days per page with enough days for an entire year ... but it's all up to you how you use it, even skipping days if you want or need to. With as little as five minutes to spare, you can do this! This gratitude journal is undated so you can start at any time and fill the pages as you see fit. If you're having a really thankful day, go ahead and fill up an entire page. Or skip days if you just don't have the time, you forget, or it's hard to find something to be thankful for. You will find a mom or gratitude-related Bible verse on every page. Take a moment before you start writing to read and reflect on the particular verse. This can bring you to a place of thankfulness and help to jump start your list or thoughts for that day. Being grateful doesn't have to take a lot of time, but it can definitely change your life for the better. And the Gratitude Journal For Moms With Bible Verses is the perfect place to keep a record of everything you appreciate in your life.
