

## Get A Ring On It: 10 Secrets To Becoming Wife Material

Would you like to experience more love in your life? Are you tired of seeing friends Facebook status change to Engaged and Married while yours remains Its Complicated, In A Relationship, or Single? Would you like to stop hearing your mom ask about your love life and marriage? Are you struggling to understand why you are not married? Then you reading this, wondering about the future of your love life and why you are not married is a good thing. Because it means you are ready for Get A Ring On It: 10 Secrets To Becoming Wife Material. For years, women like you have been hearing you should think like a man to get the guy of your dreams. Now, dating and relationship expert and media personality, Lasana Smith, has finally cracked the guy code. Based on her Masters thesis, Smith spent more than a year researching, observing, interviewing and conducting focus groups with men nationwide to gain a better understanding of the question Is The Single, Modern Woman Having A Difficult Time Finding A Husband? The results of her findings serve as the foundation of Get A Ring On It. Where most books merely explain why you arent married, this concise relationship guide reveals concrete steps for how to become marriage material. Its brimming with juicy insights, entertaining real-life scenarios as well as relationship advice. As an added bonus, Wife Material lessons and introspective Reflections questions conclude each chapter. This is what readers are saying: A great guide for single women seeking the love-relationship that leads to marriage. Get a Ring On It, provides every reader with insight that forces them to take a step back and look not only within themselves, but also outside of themselves and ask the question out loud, Am I wife material? As a relationship coach, I work with many couples and individuals that have trouble maintaining their relationships and

marriages. The principles and roles of husband, wife, mother, father, friend, and lover are expected to be fulfilled and it is assumed that they will be fulfilled without prior discussion or exploration of what these roles signify in their relationship. This book gives women the first steps toward a relationship that leads to marriage. The conversation you have with yourself about being someones wife and the roles you take on as a wife. These are the preliminary steps toward the road to becoming a wife while choosing, and being chosen by a man worthy of being your husband and partner through life. Are you ready? Well, you will know after you read, Get A Ring On It! ~ Sophie Lherisse, Life & Relationship Coach-Expert, EDEN Life Coaching Services

Get a Ring On It delves deep into the key areas where most women struggle without even knowing it - exposing secrets most men dont even talk about. If you are hitting a wall in finding The One, this book is a must-read for anyone serious about settling down with Mr. Right.~ Robinne Burrell, Director of Mobile Product & Distribution for popular matchmaking website

This book is absolutely AMAZING! So many truths, and much needed. I feel like you really tapped into something with this book. I completely agree with every point. Great job of weaving in personal and public stories and facts with real life concepts.~ Nikki Faye, Co-founder of MixandMatchLA.com and MatchmakerI love this book. Seriously, if youre a woman who wants it all: the house, the husband, and the kids this book is for you. The days of asking, What is he thinking? are over. I cant wait to get everyone in my book club to read it so we can discuss these secrets even more.~ Adrienne Sivad, Director of Itty Bitty Events Planning Company
