

Gettin Back to Happy

Gettin Back to Happy is one woman's look at embracing her happiness. In *Gettin Back to Happy*, Valerie Albarda takes a self-guided journey of discovery on a path that is a year in the making through humor, frankness and introspection. Hers is not a quest to define happiness but to revel in the simple joy that it can bring. Beyond singular characterization, every day happiness presented itself as a chameleon with a different facade to be embraced--it came in as many forms to discover as there are to rejoice in being happy.
