

## Girl About Town: A City Girls Guide to Life

The essential handbook that gives young women the street smarts and savvy to conquer any metropolis. Moving to the big city can be a daunting task. Whats worse than not knowing a soul-let alone where to work, hang out, or get a cocktail come Saturday night? And as every bright, young, confident (well, most of the time) big-city transplant knows, going from totally confused to completely urban takes a bit of time-and a lot of help. Girl About Town is that much-needed help. From turning a studio apartment into a place fit for a Lucky magazine spread, to knowing where to find the best duds at the best prices, this guide is a new-to-the-city girls best friend.
