

Glimpses

Drawing from the miraculous events in his own life, the author has used several short stories to show how God is faithful to reveal Himself to us in times of greatest need. Originally written for a gift to family and close friends, their enthusiastic recommendation prompted the sharing of these inspirational stories with any who have been challenged by circumstances. They felt that God blessed them with inspiration as these parables portrayed the concepts common to their own lives; salvation, friendship, guidance by the Holy Spirit, gifts from the heart, the rewards of encouragement and discipline, singing praises, and the effect of love in our lives. As the reader reads these parables, the author feels each one will see the glimpses of God in their own life.
