

God as Father in Luke-Acts (Studies in Biblical Literature)

God as Father in Luke-Acts argues that Father is the central image for God in Luke-Acts by tracing a line of continuity in the portrayal of God as Israel's merciful, faithful, and authoritative Father from the Old Testament to Luke-Acts and its Second Temple Jewish milieu. The fulfillment of the promises to Abraham, David, and Israel in Jesus is best understood as the fatherly actions of Israel's God. Furthermore, the striking similarities between God as Father and Augustus as Pater Patriae undermine the assertion of the Lukan view of the Roman Empire as highly polemical.
