

Revelation: Removing the Prophetic Veil: Bible Lesson 10

Revelation is one of the most controversial books of the Bible. Some people love its prophetic writings, while others reject its end time connotation. John, an apostle of Christ, was given this prophetic word to give to the seven churches of Asia Minor. A blessing was pronounced over all who reads and understand it. In this 10th Lesson, you will get a view into Johns vision as he tells about the fall of Babylon, the final judgment, and the ultimate victory over the devil and his demons. May God bless you as you read and understand this next lesson. May He open your heart to what He has to say to the Body of Christ.
