

Gods Plan of the Ages Volume 2: Beginning of Time Through Moses

Many have tried to tell Bible stories as historical fiction. But I have attempted to tell the entire story of the universe, starting with the Bible and integrating history and chronology, legend, and ancient Talmudic tradition, along with a good deal of speculation. My story begins before time, and continues past the ages of time into eternity. It is an adult work, for some of mankind's descent into depravity cannot be sanitized. But it is also a fun work, as I bounce around from our perspective up to the heavenly realms and even down into hell itself. My purpose was not just to tell the story, but also to teach wisdom and to clarify the nature and character of God. I trust each reader will grow in relationship to the God of infinite love, as I have grown in the writing. Volume Two begins with the infinite eternal God before He became Father God and ends with the deaths of Moses and Ziporah on the mountains of Nebo and Pisgah.
