

# Golf Rules Made Easy: A Practical Guide to the Rules Most Frequently Encountered on the Golf Course

This simple guide about golf rules is an invaluable guide to the most common rules a golfer is likely to encounter on the golf course. This easy guide give you an entertaining and practical reference source to the rules as laid down by the Royal and ancient golf club of St Andrews and also acts as a guide to any infringements and penalties that might occur. Aimed at both the beginner and the regular golfer, the book follows the progress of two players of differing ability and different situations, which they experience over nine holes of a course. The implications of each rule they encounter are explored before the players move onto the next hole. This guide is a must for any player who wants to save time and arguments on the most trying aspects of the game.
