

Celestial Conversations: Healing Relationships After Death

One morning Lo Anne Mayer wrote a letter to her mother, who had died a year earlier. Despondent over the strained relationship they had endured in life, Mayer started the journal because she still longed for healing. So began a remarkable soul-to-soul correspondence that restored their bond. When her own daughter died, Mayer started a new journal that soothed her grief. Now she shares her story and simple technique with bereaved people everywhere.
