

Conversations with The Dead (They Speak) (Voices of the dead)

This book is based on tapes made while I was sleeping. Some times I was in the same room as the recorder. Most times, the recorder was in another room. I found that I was not alone. The house had ghosts. The more research I did on the tapes, the more ghosts I found. For some reason I seem to attract ghosts. I dont know why or how. This book relates what the ghosts have been saying.
