

Happy, the NEW Sexy

You could be one of the forty million Americans suffering from a biochemical imbalance. The feelings we experience are nothing more than chemical reactions taking place inside our bodies. Some hormones are responsible for making us feel good; some are responsible for making us feel bad. To be happy, you must have your hormones balanced. This is a step-by-step guide for men and women of all ages to quickly bring your body's hormones back into balance. To be happy, you must have your hormones balanced, and you can get results in forty-eight hours. When you follow this advice, you will feel more balanced and healthy guaranteed. This book will without a doubt help you get rid of your depression, have a more stable mood, and live a much happier life. *Be hormonally balanced every day *Never be overwhelmed again *Stop your depression *Learn how to stop your panic attacks *Know how to stop anxiety *Never have another PMS day *Stop the mood rollercoaster *Eat to be happy (really!) *Stop being wired and tired *Turn around postpartum depression *Help your teen be happy *Get rid of your apple shape *Find balance while going through the change *Develop a sense of purpose *Achieve emotional stability *Turn around stressful days
