

Liverpools Haunted Pubs 1

Grab your coat and let Mr. Tom Slemen - Liverpools legendary ghost hunter - take you on the town to embark on a haunted pub crawl of the gutter drinking dens and high-brow establishments.... This is the first volume of Liverpools Haunted Pubs, and covers such chilling cases as: The ghost who tears his own flesh apart at the Childwall Abbey Hotel - the very same ancient pub where a real-life Frankenstein supped.... The eerie and disturbing tale of the psychopathic Buttercup Man who swilled back his drinks at the Belvedere on Sugnall Street before he went on a mission to poison the children of Liverpools parks.... The incredible account of the Spinning Parlor of the Newington Pub on Renshaw Street.... The subterranean Scotsman who can be heard under the Cambridge Pub on the University campus...some say hes the Devil himself.... The devious Witch of Grove Street who haunted the Oxford Pub in Edge Hill.... The spine-chilling mystery of the evil thing glimpsed through a keyhole at a room in the Old Post Office on School Lane - and why it killed those who looked at it....
