

Having the last laugh

Day in day out, across the globe we hear stories of bullying, kids losing confidence and worse still being permanently scarred for life. In our society we sometimes have a tendency to focus on the negatives. It comes from the old adage is the glass half empty or half full? I understand more than anyone how a youngster can have their confidence crushed in this cruel world that we live in. In this book I will share with you my school life, from the lowest possible moments all the way up to reaching a personal goal of mine.
