

# The Ultimate Survival Manual: Basic Skills That Will Help You Stay Alive (Survival, Survival handbook, survival manual)

Are you prepared for a disaster? Have you taken any precautions to ensure that in an emergency, you and your family will be prepared? If not, the time to begin accumulating skills is right now. Because in a crisis, its already too late to learn how to handle disasters. We live in a world where crisis follows crisis with barely a respite between. Basic survival skills are essential to maintain your health, home and happiness. This guidebook will serve as a quick introduction to 25 essential survival skills that will enable you to maintain a steady supply a food and water, secure your perimeter and protect yourself from incursions from unwanted and even undetectable menaces. The precautions you take in the immediate are the ones that will serve you best in the long run. This guide book will help you learn how to:Gather, prepare, preserve and store foodstuffs for safe consumption months and even years in the futureCollect, purify and store waterGuard and defend your property against intrusionDetermine the best times to shelter in place and when to bug out to a safe, remote locationSafely use firearms for self-defense as well as hunting Getting Your FREE Bonus Download this book, read it to the end and see BONUS: Your FREE Gift chapter after the conclusion.
