Original Sanskrit Text with English Translation. Most of the books only give you the transliteration of Mantra in English only. We have provided Sanskrit words in Devanagari script (a syllabic script used in writing Sanskrit) and transliterated into Roman script, so it is much easier to pronounce these mantras. These Mantras have to be chanted in Sanskrit to stimulate the positive energy related to the objective you need to accomplish. In Vedic religion, Vedic Sanskrit was considered the language of the gods. A Sanskrit word represents sound of the desired object so its important to meditate on Sanskrit Mantra. Devanagari = Deva (God) + Nagari (City) = City of the Gods. Symbolic meaning of the city is the body itself also there is multiple layers of symbolism associated with each Word and sound. Symbolic meaning of the city is the body itself also there is multiple layers of symbolism associated with each Word and sound. So when you Chant or meditates on the specific sounds of the Devanagari alphabet, the written form also appear in the mind. Sanskrit Mantras are pure vibration sound representing God so its important see the original text and to fully read and understand hidden meanings. These Mantras were composed by the ancient Vedic saints in the divine energy based language of Sanskrit and hence these mantras produce powerful energy-based sound with specific spiritual potentialities. Most sacred and oldest available Divine hymns, Sanskrit Mantra. It is hoped that the devotees will use these mantras with full understanding and devotion to fulfill their goals as mentioned as a spiritual guidance purposes.
