

## Healing Through Deliverance 1 The Biblical Basis (Vol 1)

This highly acclaimed book is a comprehensive assessment of the place of deliverance ministry in the life of the Church. The author looks at the supernatural realms of both angels and demons, as well as providing a practical understanding of the way powers of darkness can affect peoples lives. In addition to tackling many of the difficult questions that are often asked about healing and deliverance, the author also takes a detailed look at the deliverance ministry of Jesus and of the early Church, as recorded in the Gospels and the Acts of the Apostles.
