

Heaven Is Empty, Hell Is Full: A Revelation of Heaven and Hell

Author and minister Asfaw Berhane shares his supernatural experiences, including visitations from Jesus and angelic beings, that gave him a revelation into heaven and hell. He not only shares his personal testimony but discusses the supernatural topics of dreams, visions, and the Tribulation. Throughout the book, Scripture references are given to support the visions and visitations. This is not a scare tactic but rather solid teaching on heaven and hell that will inspire readers toward righteousness and the pursuit of a tangible relationship with Christ. The purpose of the message is to show heaven is a reality and that living purely is not an option but a must.
