

## His Sunrise My Sunset: A True Story of Love and Loss

Jan Hurst is a widow, mother, and retired executive, who built a business career over 30 very eclectic years in multiple business disciplines. She and her husband, Steve, were married 44 years, the first 24 years following his Air Force career. They had two daughters, who both became accomplished professional women and dedicated wives and mothers. Jan enjoyed her early marriage as a homemaker, until their younger daughter started school. As returning adult students, Jan and Steve both completed college while working and supporting a family. Once Steve retired from the Air Force, Jan began her career, no longer having the interruptions of moving and job hopping. She continued her education to earn an MBA and PhD in Business Administration Management. Jan focused on a personal ministry in business to lead organizations and share management approaches to incorporate Christian values. Having grown up as an Air Force dependent, her passion was to show people that clicks and good ol boy approaches are not as productive or rewarding. She and her husband were both passionate about helping others and worked to live as they believed. They shared a special respect and admiration for each other up until the day they were parted. Jan is a witness willing to share her faith, love of God, and story. Losing her husband did not diminish her faith. Her faith has strengthened.
