

SHTF Home Invasion: How to Survive When Intruders Enter Your Home After a Disaster

This short, no-fluff book will give you an action plan for you and your family to survive a home invasion. Maybe you have thought about what you are going to eat and drink after a major disaster. Right now you probably have a big list of supplies you still need to get a hold of to feel fully prepared. These things are all well and fine, but are you prepared for the one thing that could literally wipe out all your years of preparation in one fell swoop? Im talking about a home invasion, one of the most real dangers after SHTF. If someone (or most likely a group of thugs) invades your home, steals your stuff, and possibly kills you and your family, none of your preparations will matter.
