

Dictatorships (Opposing Viewpoints)

Each title in the highly acclaimed Opposing Viewpoints series explores a specific issue by placing expert opinions in a unique pro/con format; the viewpoints are selected from a wide range of highly respected and often hard-to-find publications.; This title addresses dictatorships worldwide, examining whether dictatorships can be a good form of government; whether certain dictatorships are becoming democracies; whether certain democracies are becoming dictatorships; and what the future might hold ; Each volume in the Opposing Viewpoints Series could serve as a model not only providing access to a wide diversity of opinions, but also stimulating readers to do further research for group discussion and individual interest. Both shrill and moderate, th
