

## 7 Steps To Domestic Infant Adoption: Your Guide to Adopting a Baby - and Becoming the Family Youve Dreamed About.

This take-action resource guide will save you TIME & MONEY as it shows you what it takes to go through the domestic infant adoption process. It is packed full of over 100 links, tips, articles, and my personal adoption stories. My name is Tim Elder. I'm an adoptive dad. I've been in your shoes. My wife and I went through a miscarriage and years of infertility before we adopted our children. We were blessed to adopt them as newborns - one in 2007 and one in 2012. After going through the domestic infant adoption journey twice, I have a strong desire to help others - like you - get through it so I created this guide to help you: 1. Save Time: learn the process in minutes rather than weeks. 2. Save Money: tips for saving money throughout the process, including agency finder, profile services, travel tips, and more. 3. Decrease Stress: resources so you can avoid the stress of waiting & avoid possible adoption scams. This unique adoption guide will inspire you, and encourage you, and give you hope to get through the domestic infant adoption journey.
