

How to Be Brilliant

For many of us, being good isn't really good enough. We want to make the very best we can out of our lives - to achieve all we can achieve and be the best we can be. We want to be Brilliant. This book will give you tools to find out what point you are at now, understand where it is you want to get, and develop strategies and powerful methods to get you there - as quickly as possible and as economically as possible with as much fun as possible. The book uses many clear examples and stories to show you how to overcome barriers that hold you back. You'll learn how to develop a clear vision for a brilliant future and communicate with your friends, family and colleagues at a higher level.
