

Improve Your Memory

Subhash Jain is an M. Sc. (Physics) from the University of Rajasthan. He is an experienced educator and teacher-trainer, and an enthusiastic presenter, who has conducted numerous workshops, trainingseminars, professional development programmes, and consultations for educators and parents for over twenty years. He has also trained teachers of six senior secondary schools of NIMS, Dubai. Two of his books How to Prepare for IIT-JEE and How to Excel in Examinations are published and extremely popular. Paramjit Kaur Parhar is an M.Sc. and a B.Ed. from Punjab University. She has teaching experience of several years. Parhar has applied various memory learning skills on her students as a research work and achieved very effective results. This is her maiden attempt as an author.
